

BEARRIERS BULLETIN

Breaking BEARriers Monthly Newsletter | August Issue

Written by Angelina Wu

Fertile Groundworks

On August 14th, 14 club members volunteered at Fertile Groundworks, a local farm in the Tri-Valley. These volunteers worked hard to rake the ground, sow the soil, and take care of the fruits and vegetables that grow there.

Club Board

On July 8th, the Breaking BEARriers Club held an election to select the Club Board members for the 2021-2022 school year, and after a close vote, the elected members were recently just announced.

The original plan for the club board consisted of one president, and a board of six— a vice president, secretary, treasurer, publicity officer, and two creative directors. However, after the presidential vote resulted in a tie, we now have two co-presidents. The rest of the original plan remains the same.

The elected members are below as follows:

Additional Projects

Here are some updates for various projects that are either upcoming, currently ongoing, or recently concluded, in no particular order:

◆ STEM In Africa

Our club members have finished up their curriculums, varying with topics from Gene Editing to Volcanoes to Astronomy. These curriculums will be offered to children in African countries.

◆ Tutoring Program

Our club is planning to start up our General Homework Help program again for the school year in September.

◆ Book Bank

Our Book Bank project is working to donate many books to libraries across the world. Recently, we donated 1200 books to New Orleans, and plan on sending books to libraries in Ghana and Uganda.

◆ Destination Imagination

Destination Imagination will be represented at Dublin Splatter to hold a booth. A few of our club members will be joining!

Presidents: Anthony L. and Kevin T.

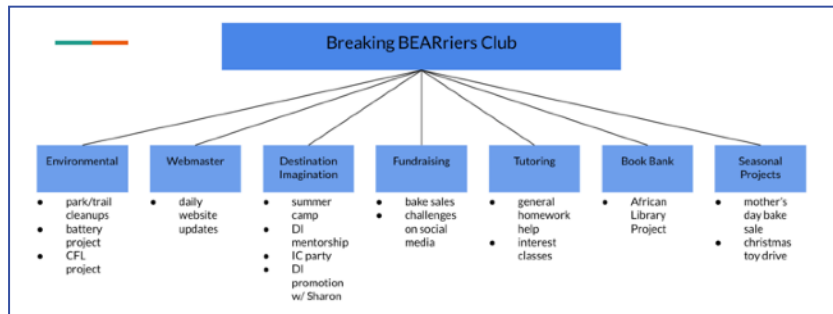

Vice President: Jessica W.

Secretary: Summer S.

Treasurer: Chloe X.

Publicity Officer: Angelina W.

Creative Directors: Nadine P. and Ryanne M.

The different branches.

Additionally, we have decided to split our club into branches that each reflect an important project that we want to focus on. Some examples include the Destination Imagination, Tutoring, and Environmental branches. Each of these branches will be led by a club officer that organizes and coordinates events relating to their branch.

If you think you are qualified to become a club officer, then you should contact Anthony or Kevin on Discord with reasons on why you should become a club officer (as well as which branch you wish to lead).

Congrats to all our club officers!
