Fertile Groundworks

On February 5th, our club members volunteered at Fertile Groundworks, a local farm in the Tri-Valley. These volunteers worked hard to rake the ground, sow the soil, and take care of the fruits and vegetables that grow there.

COVID Test Kits

This month, our club collaborated with Predicine, a diagnostic and medicine company, to provide an opportunity for all volunteers older than 10 years old to join the effort to improve local testing capacity by assembling COVID-19 test kits. In the past three weeks, our club has worked hard to assemble over 20,000 test kits.

This volunteer opportunity is open to more than only club members! If you or someone you know would like to take this opportunity, sign ups are open at tinyurl.com/bbcovidtests. Available spots are limited, so sign up quickly, if you are interested in participating!

In Other News...

The Breaking BEARriers has been nominated for the 2021 Dublin Organization of the Year! After winning the 2020 award, we are so thankful to be nominated again. The volunteer recognition event will be held at Shannon Community center on Thursday March 3 at 6:00pm, and a few of our club members will be joining.

The Breaking BEARriers Club will once again be holding a Mother's Day baking sale fundraiser! Led by Jiabei W, we hope to expand this project out even further than last year.

Tutoring Program

The Breaking BEARriers Club continues to implement their free Homework Help program. Led by vice president Jessica W and club member Phil L, this program aims to provide assistance to elementary and middle school students with their homework assignments.

This program runs every weekday, from 6-7 PM PST. If you or your child are interested, feel free to sign up at tinyurl.com/bbhwhelp.
