Fertile Groundworks

On August 6th, many club members volunteered at Fertile Groundworks, a local farm in the Tri-Valley. These volunteers worked hard to rake the ground, sow the soil, and take care of the fruits and vegetables that grow there.

Destination Imagination

The Breaking BEARriers Club will be partnering with two experienced Destination Imagination (DI) teams, the Gigantic Teddybears and Jinxed Jjicamas, to present a webinar about the ins and outs of DI.

This webinar will include information on the DI format, life skills it cultivates such as teamwork, creativity, and time management, and a segment where students and parents share their personal DI experiences. Both parents and students are welcome to join, whether you have participated in DI or not.

This webinar will be on September 11th from 7 PM - 8:15 PM. If you are interested, sign up at <https://forms.gle/WMyevz8vFuytPpgKA>, or scan the QR code below.
